Para sa Finance, Billing at Payroll ang gabay na ito. Lahat ng pera ng system ay dumadaan dito: trip funds, gastos, bayarin, invoice at sahod.

1. Pag-login at mga bahagi ng screen

1. Buksan ang address ng system na binigay ng Admin.
2. Ilagay ang **Username** at **Password**, tapos **Login**.
3. Sa unang login (o kung na-reset), papalitan mo muna ang password. Minimum 8 characters.

Bahagi	Gamit
Sidebar (kaliwa)	Mga page na pwede sa role mo. Pindutin ang grupo para makita ang laman

Bahagi	Gamit
Bell (kanang itaas)	Mga abiso, gaya ng fund na Ready for Release, trip na handa nang i-bill, o payroll na ipinasa sa Finance
Pangalan mo (kanang itaas)	Change password at Log out
Summary cards	Bilang at halaga ng mahahalagang bagay; pwedeng i-click
Tables	May Search, CSV download (pwedeng buksan sa Excel) at Show more
Print	Sa invoice, payment voucher, payslip at deduction form

Kapag 5 beses kang nagkamali ng password sa loob ng 15 minuto, maghihintay ka ng 15 minuto. Kapag 60 minuto kang walang ginawa, mala-log out ka.

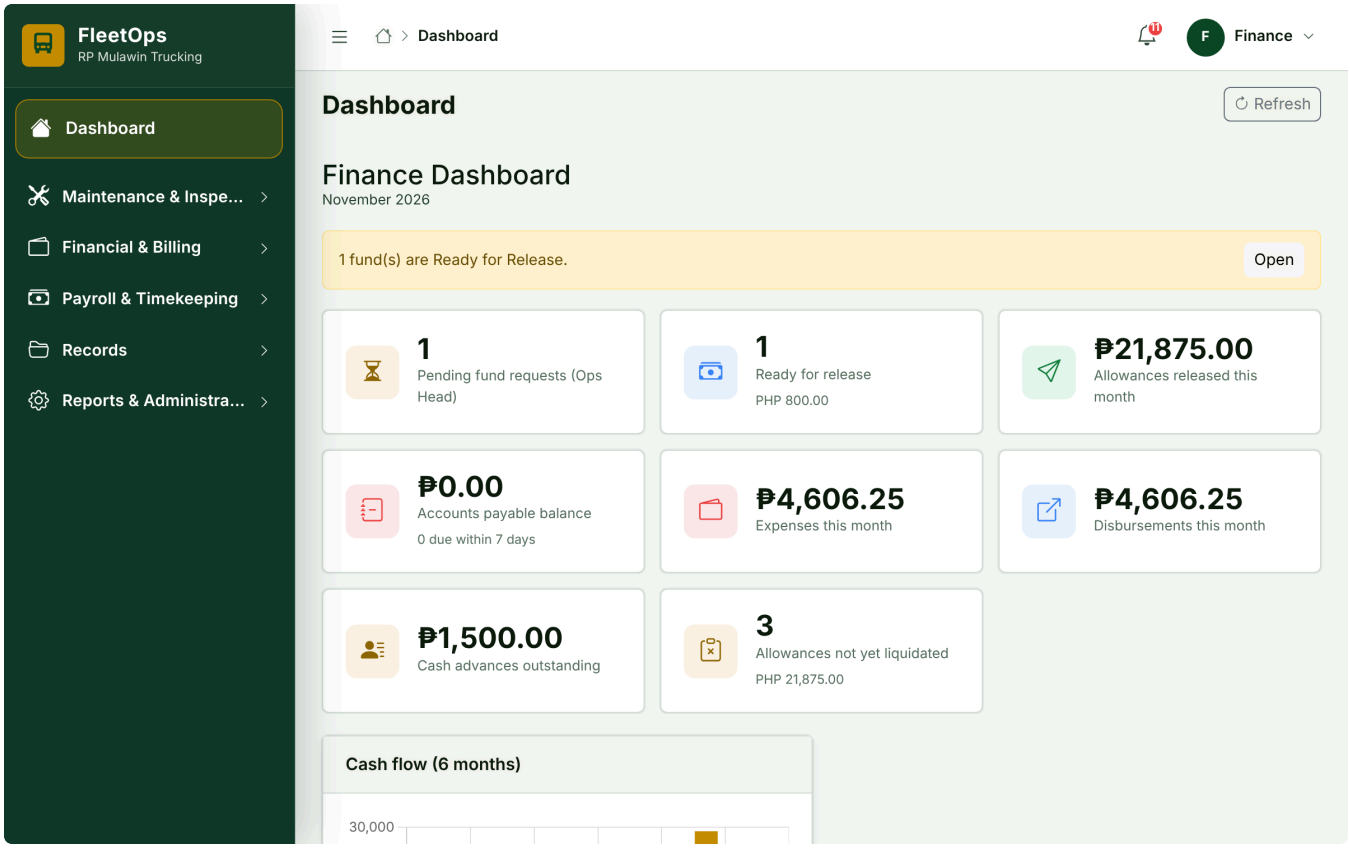

Paano mag-navigate

- Isang sidebar group lang ang bukas bawat oras. Kusang bubukas ang group ng page na binuksan mo.
- Nakadikit sa itaas ang pangalan ng page at ang mga button habang nag-i-scroll.
- Sa mahabang page, pindutin ang bilog na arrow sa kanang ibaba para bumalik sa itaas.
- Ang malalaking page ay nahahati sa tabs, at ang ilang tab ay may maliliit na pills sa loob. Naaalala ang huling tab na binuksan mo.
- Bawat table ay 25 rows bawat page. Gamitin ang **Prev** at **Next** sa ibaba. Ang Search at CSV ay sakop ang lahat ng rows, hindi lang ang nakikita.
- Sa Dashboard: 2 charts muna (pindutin ang **Show more chart(s)** para sa iba), at ang mga table ay nasa iisang card. Pindutin ang pangalan ng table para makita ito; ang walang laman ay nakalista sa isang linya sa ibaba.
- Sa **Finance & Payables**, naka-grupo ang tabs: **Gastos at Bayarin** (Expenses, Accounts payable, Disbursements and cheques, Payment vouchers), **Empleyado** (Cash advances, Payroll disbursement) at **Plano** (Budgets, Cash flow).

2. Finance

Ano ang makikita pagkapasok

Pagka-login, ang **Finance Dashboard** ang lalabas. Ang mga alert sa itaas ay nagsasabi kung may fund na Ready for Release, purchase request na kailangan mong aprubahan, o payroll na hinihintay ang disbursement.

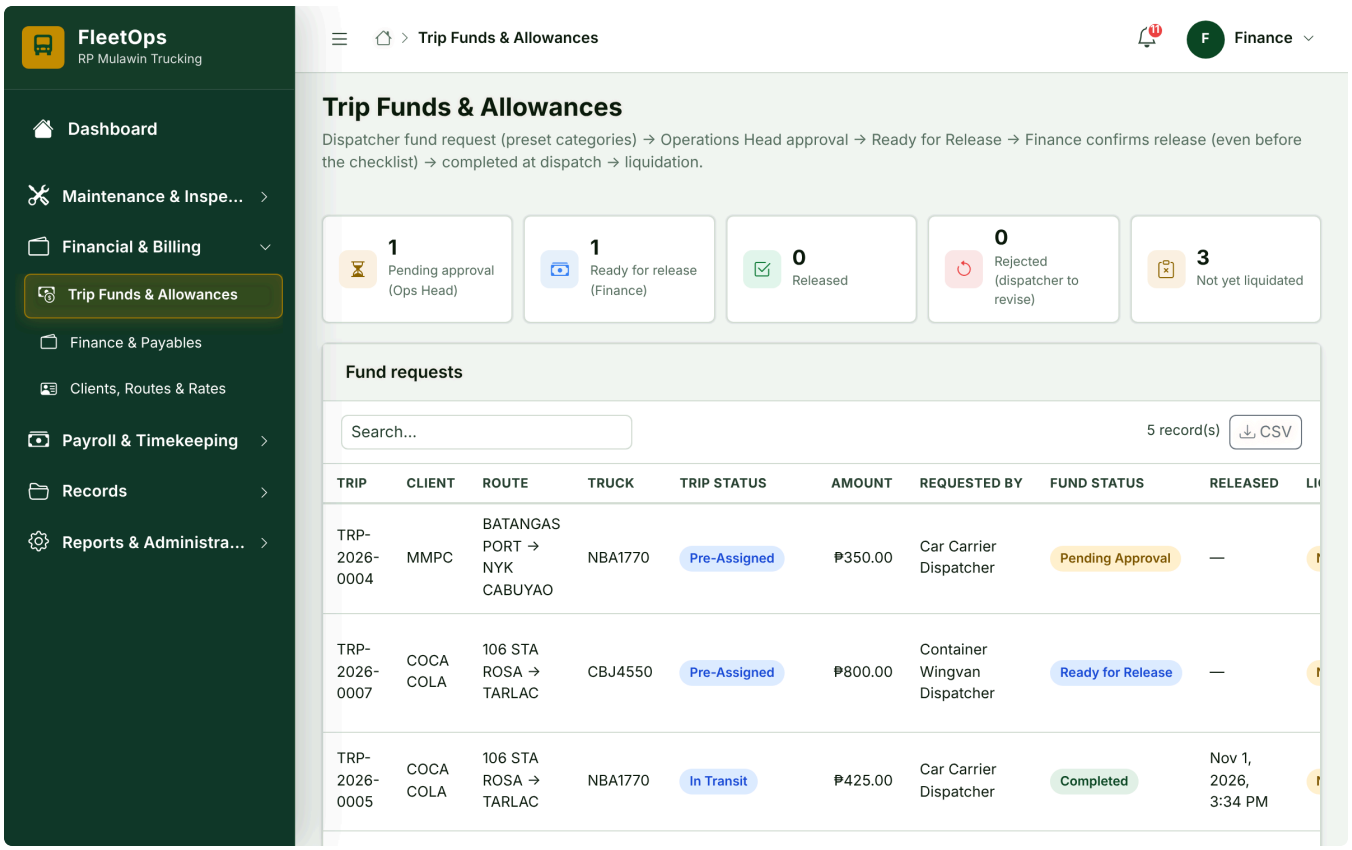

Card	Ibig sabihin
Pending fund requests (Ops Head)	Funds na hinihintay pa ang Operations Head
Ready for release	Funds na pwede mo nang i-release, at ang kabuuang halaga
Allowances released this month	Kabuuang na-release ngayong buwan
Accounts payable balance	Hindi pa nababayarang bills, at ilan ang due sa loob ng 7 araw
Expenses / Disbursements this month	Gastos at perang lumabas ngayong buwan
Cash advances outstanding	Natitirang utang ng mga empleyado

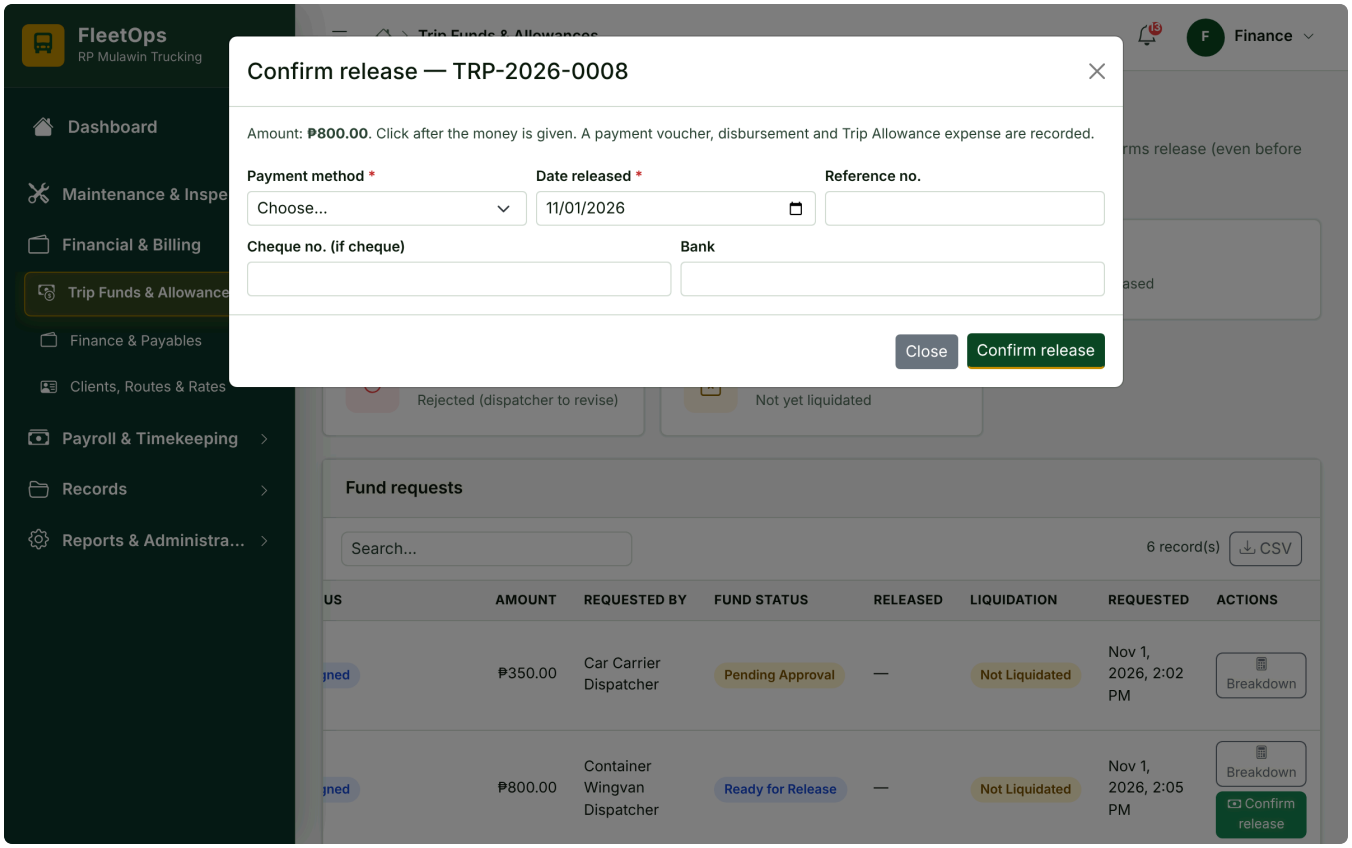

Card	Ibig sabihin
Allowances not yet liquidated	Funds na hindi pa na-liquidate
Cash flow chart	Cash in (collections) vs cash out (disbursements) sa 6 na buwan

Sidebar ng Finance (Dashboard sa itaas, at 10 pa): Maintenance & Inspection > Parts Inventory (tingin lang) at **Purchasing**; Financial & Billing > **Trip Funds & Allowances**, **Finance & Payables**, Clients, Routes & Rates (tingin lang); Payroll & Timekeeping > **Payroll** at Cash Advance & Balances (tingin lang); Records > **Documents**; Reports & Administration > **Reports & Analytics** at **Formula Settings**.

A. I-release ang trip fund

1. **Financial & Billing > Trip Funds & Allowances**. Hanapin ang fund na **Ready for Release** (naaprubahan na ng Operations Head).
2. Pindutin ang **Breakdown** para makita ang categories at halaga.
3. Ibigay ang pera, tapos pindutin ang **Confirm release**.
4. Ilagay ang **Payment method**, **Date released**, **Reference no.**, at **Cheque no.** at **Bank** kung cheque. **Confirm release**.
5. Magiging **Released** ang fund. Kusang gagawa ang system ng payment voucher, disbursement at Trip Allowance expense. Pwede itong gawin kahit hindi pa tapos ang checklist ng dispatcher.

B. Liquidation pagbalik ng crew

1. Sa Trip Funds, hanapin ang fund na **Completed** o **Released** na **Not Liquidated**.
2. Pindutin ang **Liquidate**, ilagay ang **Actual amount spent** at notes, tapos **Save**.
3. Itatala ng system ang ibinalik na pera, at magiging actual na gastos ang expense. Hindi pwedeng lumagpas sa na-release; ang sobra ay itala bilang Expense.

C. Finance & Payables: ang Record button

Sa **Financial & Billing > Finance & Payables**, pindutin ang **Record** sa itaas:

Piliin	Mga ilalagay	Resulta
Expense	Category, Amount, Date, Payee, OR / reference no., Trip o Truck kung para doon, Description, at **Paid now** kung bayad na	Expense; kung Paid now, may disbursement at voucher agad
Account payable	Supplier o Other payee, Description, Amount, Invoice / reference no., Due date	Bayarin na lalabas sa tab na Accounts payable
Cash advance (employee)	Employee, Amount, Deduct per payroll, Purpose, at payment details	Cash advance na kusang ibabawas sa payroll
Budget	Budget for (Purchasing, Operations, Maintenance), Amount, Period start at end	Budget; ang Purchasing budget ang sinusuri bago ma-approve ang pagbili

D. Magbayad ng payable

1. Tab na Gastos at Bayarin, pill na **Accounts payable**. Pindutin ang **Pay** sa bill.
2. Ilagay ang halaga at payment details, tapos **Save**. Pwedeng partial. Gagawa ng disbursement at voucher.

E. Disburse ang payroll

1. Tab na Empleyado, pill na **Payroll disbursement**. Makikita ang payroll na **Submitted to Finance** at ang total net pay.
2. Pindutin ang **Disburse**, ilagay ang payment details, tapos **Save**. Magiging **Disbursed** ang payroll at itatala ang payroll expense.

F. Aprubahan ang purchase request (₱10,000 pababa)

1. **Maintenance & Inspection > Purchasing**, tab na **Purchase requests**.
2. Pindutin ang **Approve / reject**, piliin ang **Decision**, ilagay ang notes, tapos **Save**.
3. Kapag Approve, sinusuri ng system ang Purchasing budget. Kapag kulang, kusang **Rejected - Insufficient Budget**. Ang lagpas ₱10,000 ay sa Admin.

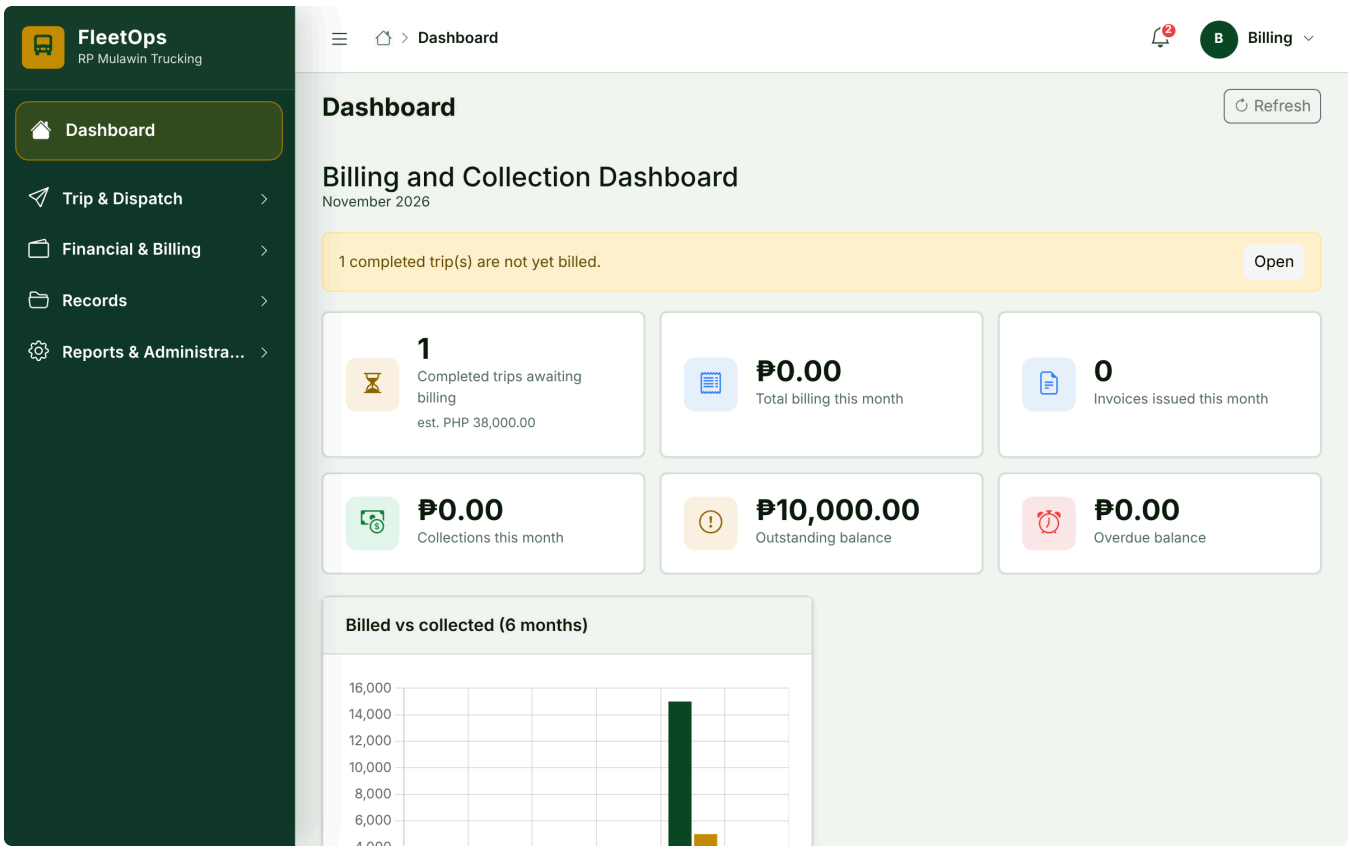

G. Iba pa

Gawain	Saan
Mag-print ng payment voucher	Finance & Payables > Gastos at Bayarin > Payment vouchers > **Print**
Tingnan ang cheques at lahat ng perang lumabas	Finance & Payables > Gastos at Bayarin > Disbursements and cheques
Cash flow per buwan	Finance & Payables > Plano > Cash flow
Baguhin ang fund categories o fuel price para sa P&L	Reports & Administration > Formula Settings (tab na Computation lists para sa fund categories, Values > Fuel para sa diesel)
Mag-upload ng resibo	Records > Documents (record type: fund, expense, payable o voucher)

3. Billing

Ano ang makikita pagkapasok

Pagka-login, ang **Billing and Collection Dashboard** ang lalabas.

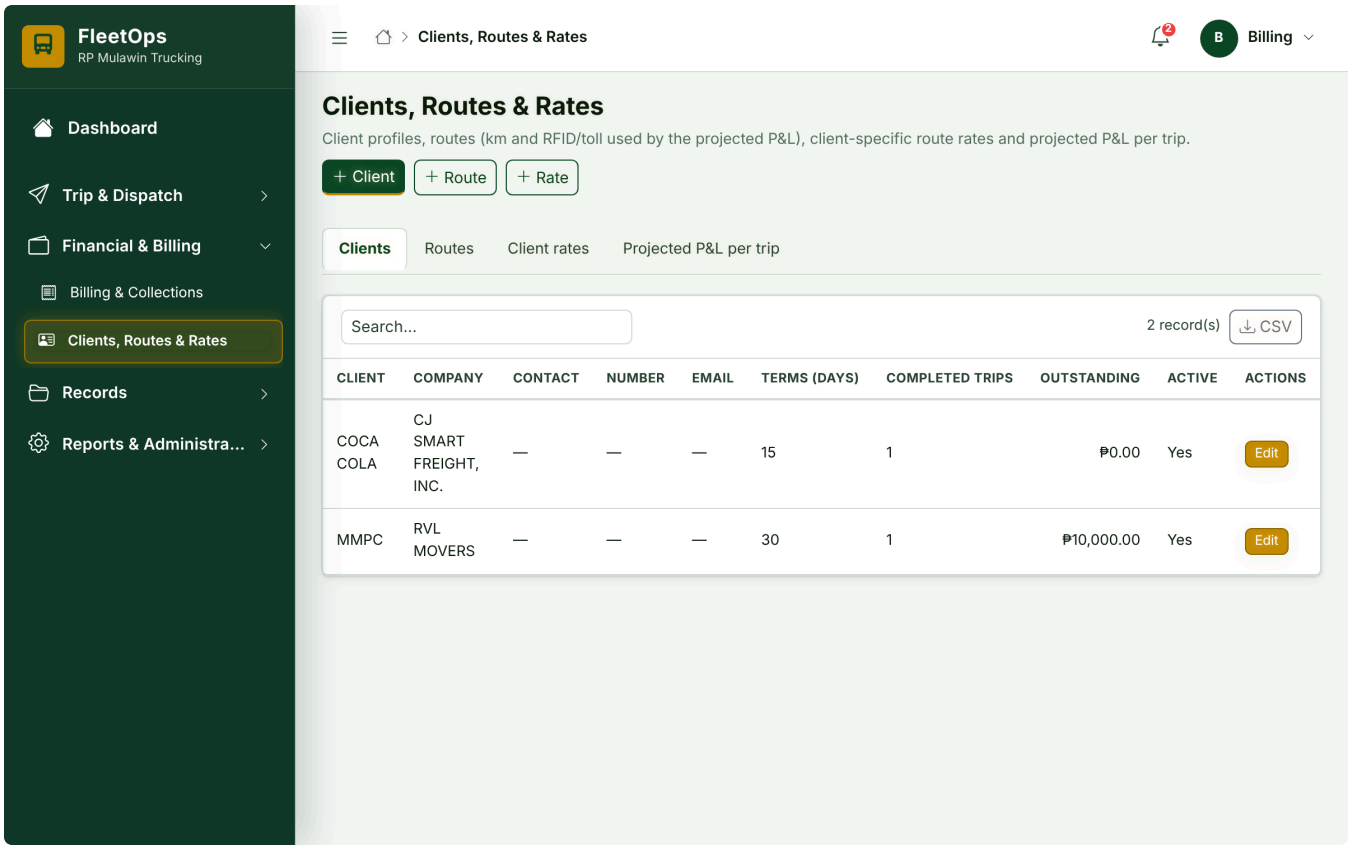

Card	Ibig sabihin
Completed trips awaiting billing	Tapos na trips na hindi pa nai-invoice
Total billing / Invoices issued this month	Halaga at bilang ng invoice ngayong buwan
Collections this month	Perang natanggap mula sa clients
Outstanding balance	Hindi pa nababayarang invoices
Overdue balance	Lagpas na sa due date
Chart at table	Billed vs collected sa 6 na buwan; history per client

Sidebar ng Billing (Dashboard sa itaas, at 5 pa): Trip & Dispatch > **Trip Records & Waybills** (completed trips lang); Financial & Billing > **Billing & Collections** at **Clients, Routes & Rates**; Records > **Documents**; Reports & Administration > **Reports & Analytics**.

A. Unang setup: clients, routes at rates

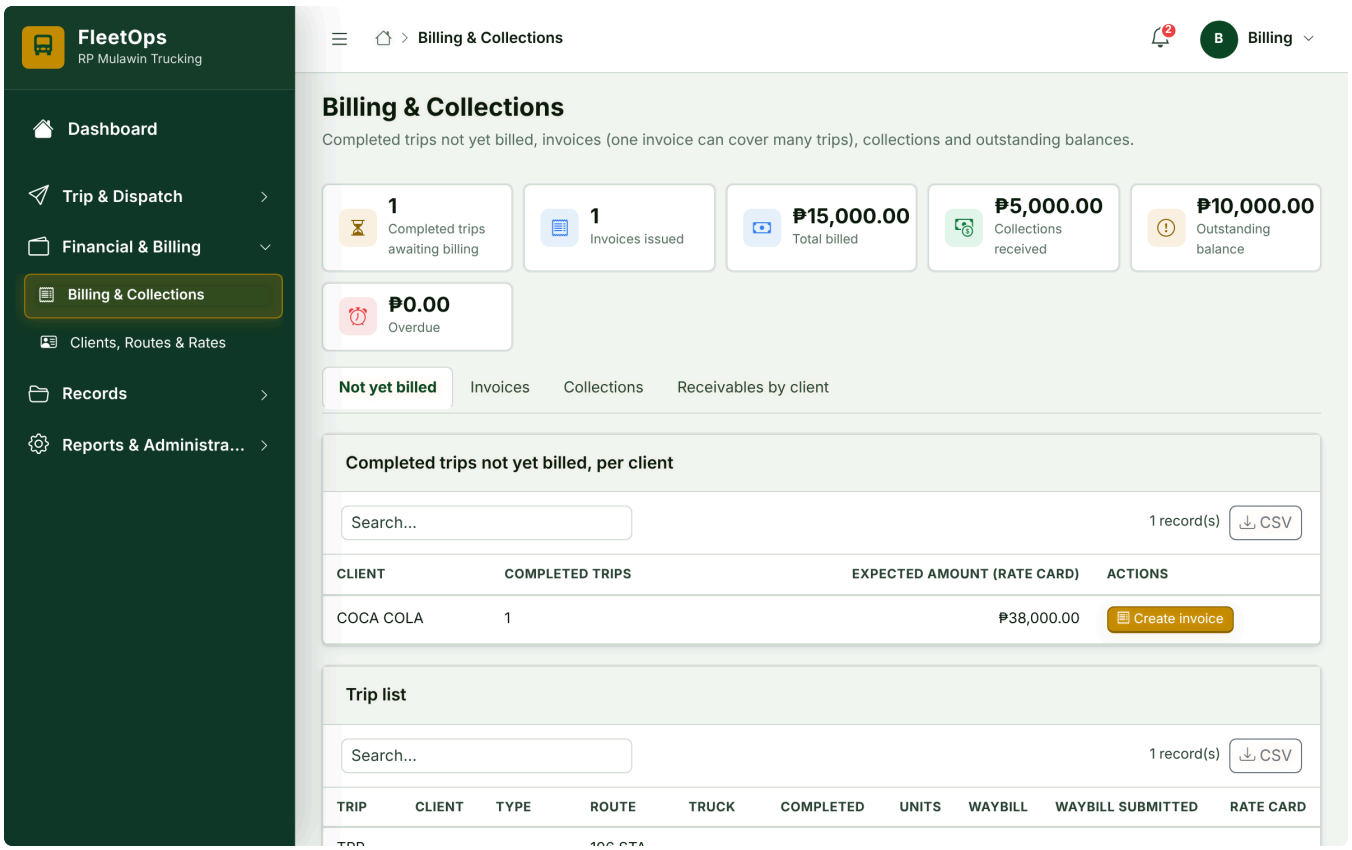

1. **Financial & Billing > Clients, Routes & Rates**.

2. **Add client**: Client (brand o consignee), Company (broker o forwarder), contact person, number, email, address at **Payment terms (days)**. **Save**.
3. **Add route**: Origin, Destination, Total km at RFID / toll ng buong trip. **Save**.
4. **Add client rate**: Client, Route, Truck type, Basis (Per Trip, Per Unit o Per KM), Rate at Effective from. **Save**. Ito ang kusang lalabas sa invoice at sa trip.
5. Sa tab na **Projected P&L per trip**, makikita ang tantiyang kita bawat client at route (rate minus fuel, toll, misc at salaries ayon sa Billing P&L Excel).

B. Gumawa ng invoice

1. **Financial & Billing > Billing & Collections**, tab na **Not yet billed**. Naka-grupo per client ang completed trips at ang expected amount.
2. Sa client, pindutin ang **Create invoice**.
3. Ilagay ang **Invoice no.**, **Invoice date**, **Due date** (blangko = invoice date + payment terms ng client), **Discount** at **Notes**.
4. Sa listahan ng trips, i-check ang isasama. Bawat trip: piliin ang **Basis**, **Qty** at **Rate** (kusang laman ang rate kung may rate card). Makikita rin kung may waybill.
5. **Save**. Hindi na pwedeng i-bill ulit ang trips na kasama.

C. Itala ang bayad ng client

1. Tab na **Invoices**. Pindutin ang **Record payment** sa invoice.
2. Ilagay ang **Amount**, **Payment date**, **Method**, **OR / reference no.**, at **Cheque no.** at **Bank** kung cheque.
3. **Save**. Magiging **Partially Paid** o **Paid** ang invoice. Bawal lumagpas sa balance.

D. Iba pang gawain

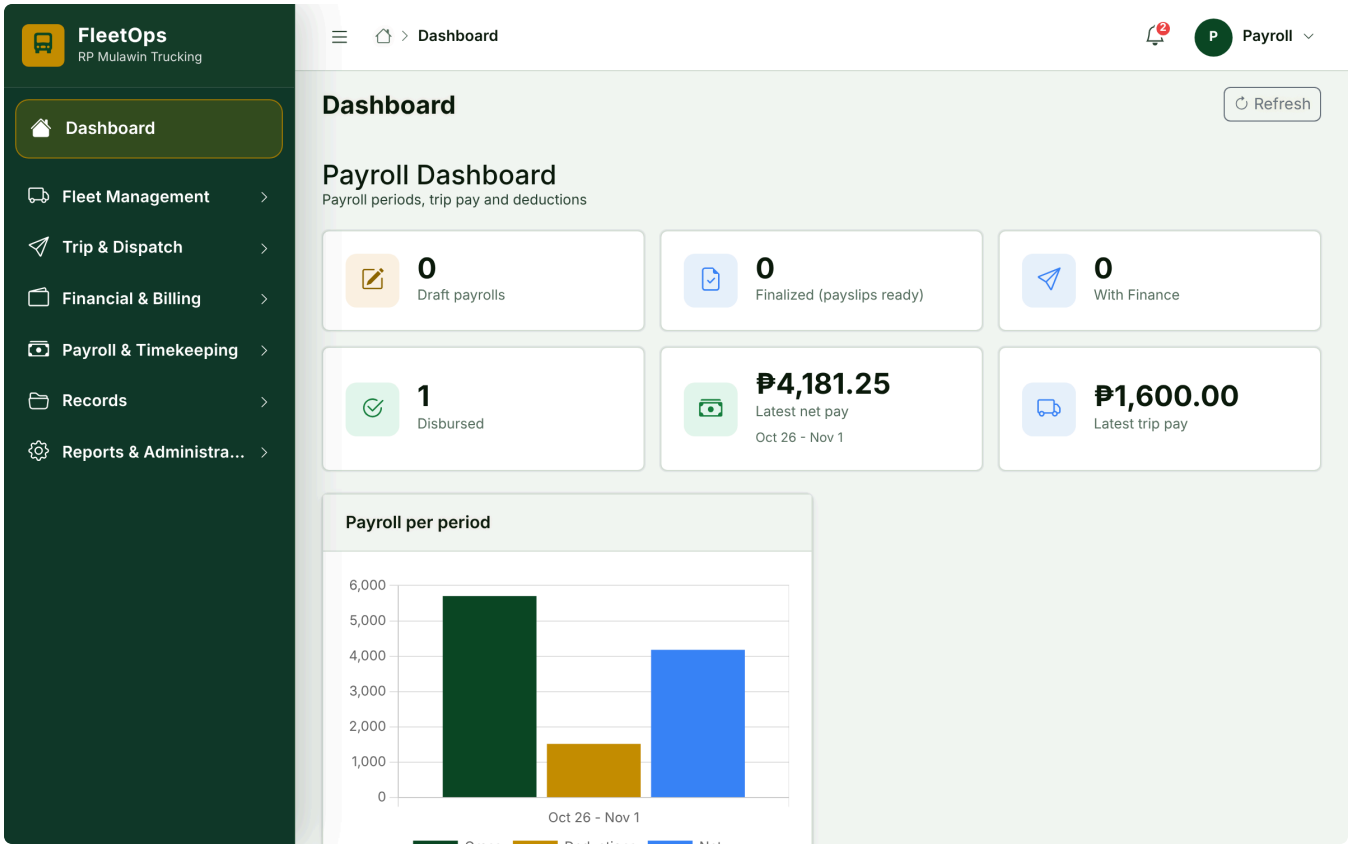

Gawain	Paano
I-print ang invoice	Invoices > **Print**
Tingnan ang trips ng invoice	Invoices > **Breakdown**
I-cancel ang maling invoice	Invoices > **Cancel**, ilagay ang dahilan. Hindi pwede kung may naitalang bayad. Babalik sa Not yet billed ang trips
Tingnan ang utang per client	Tab na **Receivables by client** (billed, collected, outstanding, overdue)

Gawain	Paano
Magdagdag ng waybill	Trip Records & Waybills > **Add waybill**
Receivables aging at profit per trip	Reports & Analytics > Billing, collections and expenses

4. Payroll

Ano ang makikita pagkapasok

Pagka-login, ang **Payroll Dashboard** ang lalabas.

Card o table	Ibig sabihin
Draft payrolls	Ginagawa pa
Finalized (payslips ready)	Tapos na, pwedeng i-print ang payslips
With Finance / Disbursed	Naipasa na sa Finance / nabayaran na

Card o table	Ibig sabihin
Latest net pay / trip pay	Kabuuan ng pinakahuling payroll
Payroll per period chart	Gross, deductions at net bawat period
Completed trips without waybill	Trips na hindi mabibilang sa trip pay hangga't walang waybill

Sidebar ng Payroll (Dashboard sa itaas, at 9 pa): Fleet Management > **Drivers, Helpers & Staff**; Trip & Dispatch > Trip Records & Waybills (completed lang); Financial & Billing > Clients, Routes & Rates (tingin lang); Payroll & Timekeeping > **Payroll**, **Attendance**, **Cash Advance & Balances**; Records > **Documents**; Reports & Administration > **Reports & Analytics** at **Formula Settings**.

A. Unang setup

1. **Fleet Management > Drivers, Helpers & Staff**. Sa bawat tao, pindutin ang **Pay info** at ilagay ang **Daily rate**, **Pay frequency** at **Payroll group**.
2. **Payroll**, tab na **Trip pay rates**. Pindutin ang **Rate**, piliin ang **Truck type** at **Route** (o destination), at ilagay ang **Driver rate per trip** at **Helper rate per trip**. **Save**.
3. Sa **Formula Settings** (Payroll group), i-check ang SSS (775 ÷ 24 × araw), PhilHealth 75, Pag-IBIG 50 at Cash Bond 500.

B. Attendance

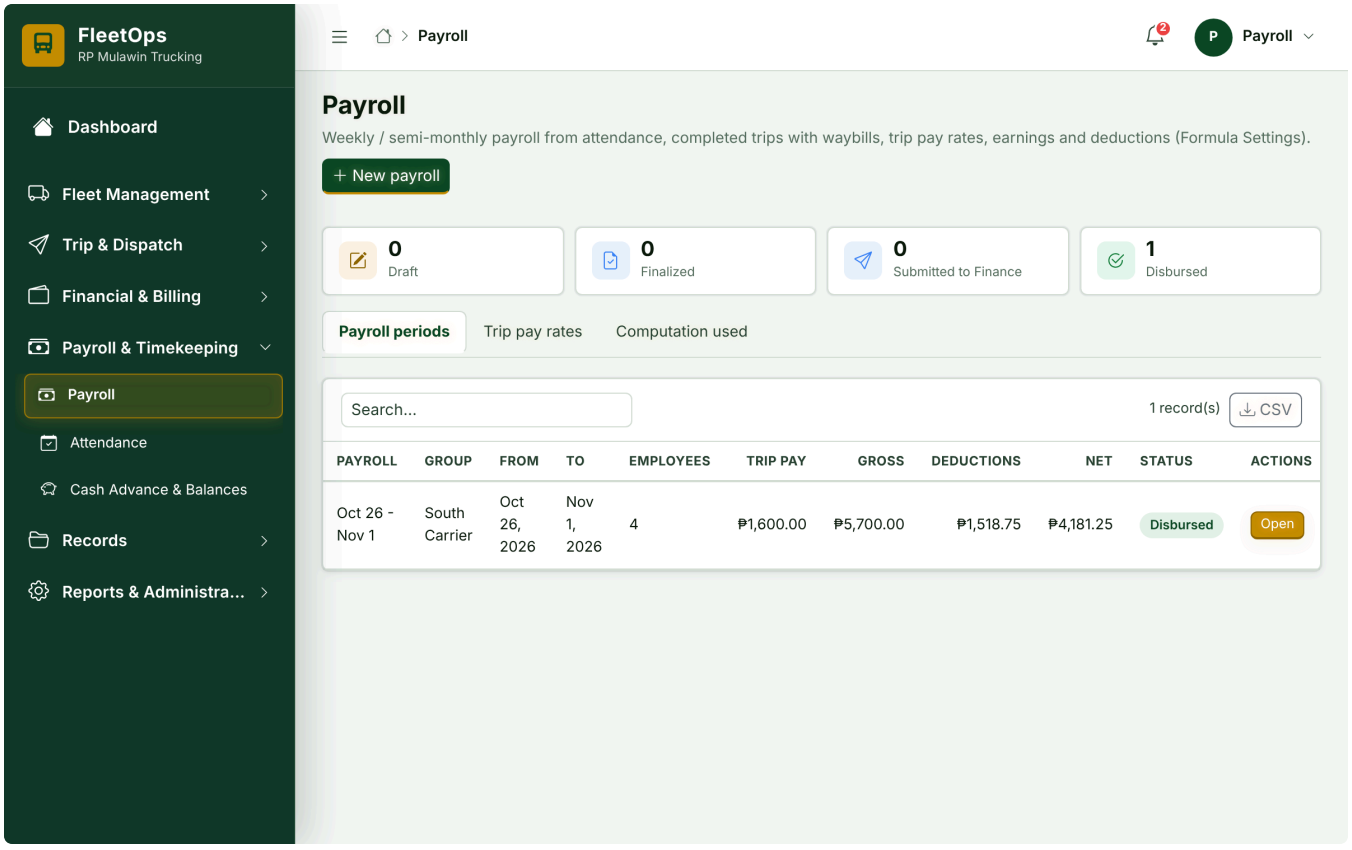

1. **Payroll & Timekeeping > Attendance**.
2. Piliin ang **From** at **To**, tapos **Show**.
3. Markahan ang bawat tao bawat araw: **Present**, **Absent**, **VL**, **SIL** o **Rest Day**.
4. Pindutin ang **Save attendance**. Ang Present days ang bibilangin sa regular wage.

C. Gumawa ng payroll

1. **Payroll > New payroll**. Ilagay ang **Payroll name**, **Payroll group**, **From** at **To**. **Save**.
2. Kusang kukuwentahin ng system ang bawat empleyado sa group:
   a. Regular wage = daily rate × araw na Present.
   b. Trip pay = trip pay rate × completed trips na may waybill.
   c. Deductions = SSS, PhilHealth, Pag-IBIG, cash bond, at hulog ng cash advance, uniform at damages.

d. Net pay = gross pay − deductions.

3. Pindutin ang **Open** para makita ang mga linya. Makikita ang parehong columns ng Excel payroll sheet.
4. Habang **Draft**: **Edit** para maglagay ng manual earnings (Trade Test, Manual Pullout, Adjustment) o deductions (loans, late, rice/water), **Remove** para tanggalin ang tao, **Add employee**, at **Recompute all** para kuwentahin ulit (hindi mabubura ang in-type mo).
5. Pindutin ang **Trips** sa linya para makita kung aling trips ang binayaran.
6. **Finalize** kapag tama na. Ibabawas na ang hulog sa balances. Kung may mali pa, **Reopen as draft** (may dahilan; ibabalik ang balances).
7. **Print payslips** at **Print deduction form**, o **Payslip** sa bawat tao.
8. **Submit to Finance**. Ang Finance ang magdi-disburse.

D. Cash Advance & Balances

Button	Gamit
Add balance	Bagong Cash Advance, Uniform, Damages o Cash Bond, ang halaga, at magkano ang ibabawas bawat payroll

Button	Gamit
Payment	Bayad na hindi galing sa payroll
Installment	Baguhin ang hulog bawat payroll
Release	Para sa Cash Bond kapag ibabalik na sa empleyado
History	Lahat ng galaw ng balance

Ang cash advance na ibinigay ng Finance ay kusang lalabas dito.

5. Paano nagkakabit ang Finance, Billing at Payroll

Galing sa	Ano ang nangyayari	Saan lalabas sa Accounting
Operations: fund request sa trip	Finance ang mag-approve at mag-release	Finance > Disbursements at Expenses
Operations: trip naging Completed	Pwede nang ilagay sa invoice	Billing > Billing / SOA, tapos Collections
Operations: waybill na-upload sa completed trip	Mabibilang na sa trip pay	Payroll > trip pay ng driver at helper
Maintenance: purchase order na received	Gagawa ng payable	Finance > Payables, tapos Pay
Payroll: Submit to Finance	Finance ang magdi-disburse	Finance > Disbursements
Finance: cash advance sa empleyado	Gagawa ng balance	Payroll > Cash Advance & Balances

Ang daloy ng pera

1. **Pera palabas:** trip allowance (Funds release), payables sa supplier (Purchasing), at payroll (Submit to Finance). Lahat ay papasok sa **Disbursements** at **Expenses** ng Finance.
2. **Pera papasok:** Billing ang gagawa ng invoice mula sa completed trips. Kapag nag-record ng **Collection**, papasok ito sa receivables at kita.

3. **Kita at gastos:** ang Reports & Analytics ang nagpapakita ng P&L, gamit ang billing (kita) at expenses (gastos).

Mga dapat tandaan

- Walang waybill, walang trip pay. Silipin ang "Completed trips without waybill" sa Payroll Dashboard.
- Pwedeng i-bill ang completed trip kahit wala pang waybill, pero magpapakita ang system ng babala na i-follow up ito.
- Finance lang ang makakapag-release ng pera. Ang Payroll at Billing ay naghahanda lang ng datos.
- Ang approval ng purchase: Finance kung ₱10,000 pababa, Admin kung lampas.

6. Mga karaniwang mensahe at tanong

Finance

Mensahe	Ibig sabihin at gagawin
The fund is not Ready for Release yet (Operations Head approval first).	Hindi pa na-approve ng Operations Head. Hintayin muna.
The trip is no longer waiting for this fund	Na-cancel o nagbago ang status ng trip. Silipin sa Trip Records.
Only released funds can be liquidated.	Mag-liquidate lang kapag Released na ang fund.
Actual spent cannot be more than the released amount.	I-record bilang hiwalay na expense ang sobrang gastos.
Payable is already paid.	Bayad na ang payable na ito.
Payroll is not waiting for disbursement.	Hindi pa na-submit ng Payroll, o na-disburse na.
Payment is more than the balance	Bawasan ang halaga hanggang sa natitirang balance.

Billing

Mensahe	Ibig sabihin at gagawin
Only completed trips can be billed.	Completed trips lang ang pwedeng ilagay sa invoice.
Choose at least one completed trip.	Pumili ng kahit isang trip.
Invoice number already used.	Gumamit ng ibang invoice number.
Due date must be on or after the invoice date.	Ayusin ang due date.
Invoice has collections and cannot be cancelled.	May bayad na ang invoice kaya hindi na pwedeng i-cancel.
"... trip(s) have no waybill recorded yet. Please follow up."	Babala lang. Nagawa ang invoice, pero i-follow up ang waybill.

Payroll

Mensahe	Ibig sabihin at gagawin
Show at most 31 days at a time.	Sa Attendance, hanggang 31 araw lang bawat tingin.
Payroll has no employees.	Walang tao sa payroll group. Silipin ang Pay info ng mga tao.
Already in this payroll.	Nasa payroll na ang empleyado.
Choose a route or type the destination.	Sa trip pay rate, pumili ng route o mag-type ng destination.
Amount is more than the balance.	Bawasan ang bayad hanggang sa natitirang balance.
Balance is closed.	Bayad na o na-release na ang balance.

Mga tanong

Bakit zero ang trip pay ng driver? Walang completed trip na may waybill sa period, o walang trip pay rate para sa truck type at route. Ilagay ang rate, tapos **Recompute all**.

Bakit hindi ko makita ang Confirm Release? Lalabas lang ito kapag ang fund ay **Ready for Release**.

Pwede bang baguhin ang finalized payroll? Oo, gamit ang **Reopen as draft** (may dahilan), basta hindi pa na-submit o na-disburse.

Saan nakikita ang lahat ng ginawa ko? Sa Activity Log (Admin at Audit), kasama kung sino at kailan.
